To Whom It May Concern at the City Offices of Lafayette:

After more than six years of dedicated service to the Senior Citizens of Lafayette, I regret to inform you that I will be resigning from the Senior Services Commission. As an SSC commissioner, I have also represented Lafayette on the Contra Costa County Senior Advisory Council for the past two years and was one of the founding members of the Senior Housing Task Force.

My service to Seniors in our city has held much fulfillment and reward, including four years as Chair of the Commission, which provided me with challenges as well as multiple opportunities for personal growth in bringing the SSC to a new level. I am grateful to Jennifer Russell, Carl Anduri and Carol Federighi for their understanding and guidance, as well as to commissioners who have demonstrated their unwavering support.

I now look forward to providing the city of Lafayette with volunteer service in other capacities where each individual is recognized for their gifts and talents, democratic protocols are practiced, and a spirit of community cooperation is held in high regard. I have already initiated active participation with the Local Foods Group in supporting a more sustainable Lafayette.

Sincerely yours,

Susan Hahn, Ed.D.
